Boost Workplace Collaboration with Accordant

Visualize how different spaces are used throughout the day, identify busy days, and understand how well your office meets employee needs.

Comprehensive Space Allocation

Accordant automates and simplifies workspace management, from floor plan visualizations to real-time reporting on space utilization, moves, and desk bookings.

Supports Hybrid Working

Designed for today's dynamic work environments, Accordant supports hybrid and flexible working patterns. It enables quick setup of agile workspaces and strategic planning.

Global Reach and Robust Support

CadM serves clients across the globe, offering ongoing support and seamless integration with existing systems like AutoCAD.

Accordant by CadM

Your Complete Web-Based Space Management Solution

Accordant is a powerful, web-based space management system designed to streamline every aspect of your workspace organization.

Optimize Occupancy

Real-time occupancy insights for all workspaces, enabling accurate reporting on usage, vacancies, and capacity.

Move Planning

Accordant streamlines move management for projects of any size, reducing costs and minimizing downtime with easy planning, real-time adjustments, and error prevention.

Space Management

Accordant enables seamless departmental space management with floor plan-based allocation and detailed reports, including cost summaries if needed.

Real-Time Utilization

Accordant captures real-time space usage data through mobile surveys or smart sensors, tracking occupancy and movement patterns.

Accordant Anywhere

Conduct comprehensive floor plan surveys for desk usage, meeting rooms, and activity spaces to inform future workspace design decisions.

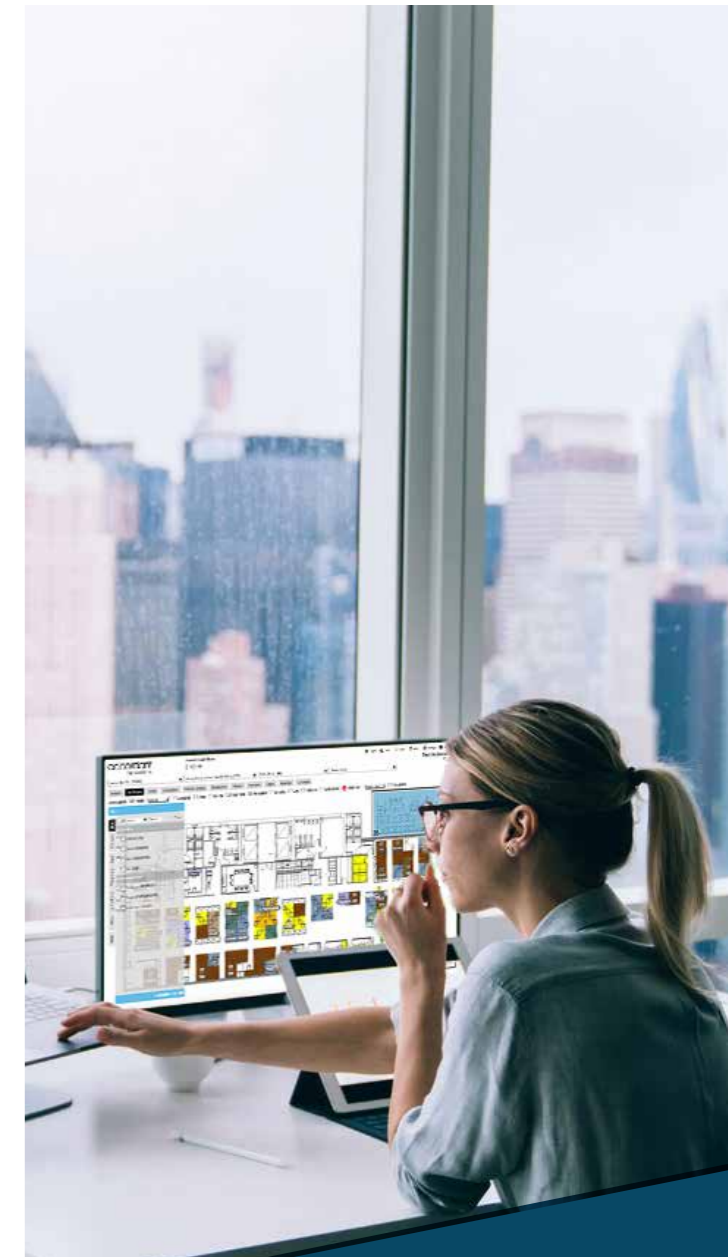

Manage Any Workplace

A Trusted Solution

Whether you're adapting to hybrid working models, managing office layouts, tracking occupancy, or planning future moves, Accordant brings all these features together in one easy-to-use platform.

With over 30 years of experience, we understand the evolving needs of modern businesses. Our system is built to meet the challenges of today's dynamic work environments, offering new tools that make flexible seating and space management easier and clearer than ever before.

Discover the innovative features of Accordant and see how we can help you manage your spaces more effectively.

HAVING WORKED CLOSELY WITH CADM FOR MANY YEARS NOW, I CANNOT IMAGINE AN OFFICE WITHOUT IT.
